

PROSPECTUS SUPPLEMENT NO. 1
(To Prospectus Dated January 8, 2008)

\$300,000,000

Rayonier

Rayonier TRS Holdings Inc.

3.75% Senior Exchangeable Notes due 2012
Unconditionally Guaranteed by Rayonier Inc.

This prospectus supplement, which supplements the prospectus filed by Rayonier TRS Holdings Inc. (the "Company") and Rayonier Inc. ("Rayonier") on January 8, 2008, will be used by selling security holders to resell the notes and the common shares issuable upon the exchange of the notes. You should read this prospectus supplement in conjunction with the related prospectus which is to be delivered by selling security holders to prospective purchasers along with this prospectus supplement.

You should read and rely only on the information contained in the prospectus supplement and the related prospectus, together with those documents incorporated by reference, as described on page 54 of the related prospectus under "Incorporation of Certain Documents By Reference." Neither the Company, Rayonier nor any selling security holder has authorized any person to provide you with different or additional information. If anyone provides you with different or additional information, you should not rely on it. The selling security holders are offering to sell, and are seeking offers to buy, the securities only in jurisdictions where offers and sales are permitted. Neither this prospectus supplement nor the related prospectus constitutes an offer to sell, or a solicitation of an offer to buy, any securities by any person in any jurisdiction in which it is unlawful for such person to make such an offer or solicitation. You should not assume that the information contained in this prospectus supplement or the related prospectus is accurate as of any date other than the date on the front cover of the respective document.

You should consider the risks described in "Risk Factors" beginning on page 10 of the related prospectus.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the accuracy or adequacy of this prospectus. Any representation to the contrary is a criminal offense.

The date of this prospectus is February 13, 2008

SELLING SECURITY HOLDERS

The information set forth in the following table modifies and supplements the information set forth in the table appearing under the heading “Selling Security Holders” in the related prospectus. The information is based on information provided to the Company and Rayonier by or on behalf of the selling security holders on or prior to February 13, 2008 and has not been independently verified by the Company or Rayonier. Since the date on which each selling security holder identified below provided this information, any of these selling security holders may have sold, transferred or otherwise disposed of all or a portion of its securities in transactions exempt from the registration requirements of the Securities Act or pursuant to the prospectus to which this prospectus supplement relates. The selling security holders may from time to time offer and sell pursuant to the prospectus or supplements thereto any or all of the securities. Because the selling security holders are not obligated to sell securities, the Company cannot estimate the amount of the notes or how many of Rayonier’s common shares the selling security holders will hold upon consummation of any such sales. Information about other selling security holders, if any, will be provided in one or more prospectus supplements or post-effective amendments to the registration statement of which the prospectus is a part.

- (1) Because a selling security holder may sell all or a portion of the notes and Rayonier common shares issuable upon exchange of the notes pursuant to this prospectus, an estimate cannot be given as to the number or percentage of notes and Rayonier common shares that the selling security holder will hold upon termination of any sales. The information presented assumes that all of the selling security holders will fully exchange the notes for cash and Rayonier common shares and that the selling security holders will sell all Rayonier common shares that they received pursuant to such exchange.
- (2) Includes the number of Rayonier common shares issuable upon exchange of all of that particular holder's notes at the initial exchange rate of 18.2433 shares per \$1,000 principal amount of the notes.
- (3) The number of Rayonier common shares issuable upon exchange of the notes is calculated assuming the conversion of the full amount of notes held by such holder at the initial exchange price of \$54.81 per share, which equals an initial exchange rate of 18.2433 shares per \$1,000 principal amount of the notes. This exchange price is subject to adjustment as described in the related prospectus under "Description of the Notes—Exchange of Note—Exchange Rate Adjustments." Accordingly, the number of Rayonier common shares to be sold may increase or decrease from time to time. Fractional shares will not be issued upon exchange of the notes. Cash will be paid instead of fractional shares, if any.
