### **About Pope Resources**

Pope Resources, a publicly traded limited partnership, and its subsidiaries Olympic Resource Management and Olympic Property Group, own or manage 190,000 acres of timberland and development property in Washington, Oregon, and California. We also manage, co-invest in, and consolidate three private equity timber funds, for which we earn management fees. These funds provide an efficient means of investing our own capital in Pacific Northwest timberland while earning fees from managing the funds for third-party investors.
